HOTEL DIMITRA ZEUS

Our hotel is located in one of the pearls on the Olympus Riviera – Leptokaria resort. The unique combination of the glory of Olympus and the azure Aegean sea is breathtaking. Here you will feel the spirit of the Ancient times from the numerous historical monuments and will be fascinated by the charm of the Mediterranean sea.

The hotel restaurant has 50 seats. There you can enjoy the traditional Greek and European kitchen, seafood and fresh citrus fruits in a home-like coziness touched by luxury.

The cellar and the coffee-bar offer a wide selection of national and international branded drinks.

The hotel has 18 rooms and two suites and all have a balcony, a bathroom, air-conditioning, a satellite TV and a fridge.

The hotel lobbies are a nice and a cozy place to meet people.
